PASION Y EMOCION POR LA LUZ

Estimados clientes y amigos:

Nos complace presentarles nuestro catálogo Valan Iluminación **2016**, con nuestra propuesta de luminarias de estilo contemporáneo, con el que les hacemos partícipes de nuestra pasión y emoción con la que las diseñámos y fabricamos.

Les invitamos a experimentar la emoción de vestir de luz cualquier espacio con nuestras luminarias.
Tras explorar las posibilidades del hierro, el aluminio y el cristal, nos hemos adentrado en la fascinante aventura de combinar nuevos materiales (metacrilato, acrílico, etc.) y nuevos acabados (pan de oro, plata, cobre, etc.), teniendo en cuenta en el diseño los aspectos tecnológicos (led, bajo consumo, mandos a distancia electrónicos, etc.).

Les agradeceremos sus comentarios y sugerencias, para entre todos, seguir mejorando el proceso de conseguir que nuestras luminarias transmitan la máxima emoción y pasión para sus usuarios.

PASSION AND EMOTION ABOUT LIGHT

Dear customers and friends:

We are pleased to present our Valan Iluminación 2016 catalogue, with our lighting fittings proposal in contemporary style, in order to share our passion and emotion with which we design and manufacture them.

We kindly invite you to experience the emotion to dress with light any space with our lighting fittings.

Once explored the possibilities offered by iron, aluminium and glass, we have entered into the fascinating adventure of combining new materials (methacrylate, acrylic, etc.) and new finishing (gold leaf, silver, cooper, etc.), and taking into account when designing the technological aspects (LED, energy saving, electronic remote control, etc)

We welcome your comments and suggestions to further improve the process of obtaining our fixtures maximum transmit emotion and passion for the end user.

PASSION ET EMOTION DE LA LUMIERE

Chers clients et amis:

Afin de vous faire partager notre passion pour la création de luminaires, nous avons le plaisir de vous présenter notre catalogue VALAN ILUMINACION 2016.

Nos appareils d´éclairage vous invitent à vivre l'émotion d'habiller de leurs lumiéres n'importe quel espace de vie.

Aprés avoir exploré les possibilités offertes par le fer, l'aluminium et le verre, nous sommes entrés dans la passionnante aventure de la combinaison de nouveaux matériaux (methacrylate, acryliques, etc...) et de nouvelles finitions (feuille d'or, argent, cuivre, etc...) tout en tenant compte lors de la conception de nos luminaires de l'aspect technologique (Led, économie d'énergie, telécommandes électroniques, etc...)

Nous nous réjouissons que nos luminaires véhiculent alors émotion et passion.
Que vos commentaires et suggestions nous aident encore à améliorer les prócessus de conception de nos produits.
